**Subject:** *Authorization for a Registration Authority (RA) for the Republic of Bulgaria's OID (joint-iso-itu-t(2) country(16) bg(100))*

Dear Mr. Johnson,

The Ministry of Transport, Information Technology and Communications is developing and designing e-Identification infrastructure for all Bulgarian citizens, which is a crucial project for Bulgaria. In the near future, it will be necessary to specify OIDs for public authorities and enterprises in the Republic of Bulgaria.

Following the above, we would like to propose the Ministry of Transport, Information Technology and Communications as a Registration Authority (RA) for OIDs below are **{joint-iso-t(2) country(16) bg(100)}** in accordance with the provisions of Recommendation ITU-T X.660 | ISO/IEC 9834-1.

The Ministry of Transport, Information Technology and Communications is the ITU Administrator for the country and the address details are:
