Registration authority for ISO/IEC 9834-7

Dear Mr. Green,

We have pleasure in informing you that the ISO Technical Management Board, by Resolution 55/2001 have approved the designation of the British Standards Institution (BSI) as registration authority for

- ISO/IEC 9834-7, Information technology - Open Systems Interconnection - Procedures for the operation of OSI Registration Authorities: Assignment of international names for use in specific contexts

Please find enclosed the original text of Resolution 55/2001.

We would also like to take this opportunity to express our appreciation for your willingness to assume the role of registration authority for the above-mentioned International Standard.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Keith Brannon', written over a horizontal line.
